

ICIMA 2020

INTERNATIONAL CONFERENCE ON INTELLIGENT MANUFACTURING AND AUTOMATION

27th and 28th March 2020

Organized By
Departments of Mechanical and Production Engineering
Jointly with
Indian Society of Manufacturing Engineers

ICIMA 2020 is being organized with a view to foster research in various fields related to advances in Manufacturing and Automation. The conference is expected to bring in eminent personalities (Academicians and Industry practitioners) from various areas of manufacturing and automation on a common platform, wherein they come together and brain-storm for the purpose of holistic knowledge sharing.

The exposure and interactions during the conference are expected to open up and introduce many research ideas for upcoming Post-graduate & Doctoral students as well. The conference focuses on the following areas and will include keynote & plenary talks along with technical paper sessions spread over 2 days.

- Automation, Mechatronics and Robotics
- CAD/CAM/CAE/CIM/FMS in Manufacturing
- Artificial Intelligence in Manufacturing
- IOT in Manufacturing
- Product Design and Development
- DFM/DFA/FMEA
- MEMS and Nano Technology
- Rapid Prototyping
- Computational Techniques
- Nano and Micro-machining
- Sustainable Manufacturing
- Industrial Engineering
- Manufacturing Process Management
- Modelling and Optimization Techniques
- CRM, MRP and ERP
- Green, Lean and Agile Manufacturing
- Logistics and Supply Chain Management
- Quality Assurance and Environment protection
- Advanced Material Processing and Characterisation
- Composite and Smart Materials
