9 Organisational Chart

Principal is the academic and administrative head of the college, assisted by Vice Principals, Heads of Departments and Registrar.

10.10 Student feedback mechanism on Institutional Governance/faculty performance

The Student Council is the main channel for feedback on Governance. There is a formal procedure, forming an integral part of students' performance evaluation of faculty. Formal feedback is also sought from alumni and industry. Informally, feedback is also taken from professional bodies, professionals and other agencies through interactive roles.

10.11 Grievance redressal mechanism for faculty, staff and students

As per the University guidelines, the college has a Women Development Cell (WDC), formed to look after women (female staff and students) grievances, if any. WDC often organizes programmes for the benefit of women. A Grievance Committee also exists in the college to look after the grievances of staff members and to address them. Local Managing Committee also takes care of staff and students grievances. Unfair means committee appointed by the Principal independently enquires any unfair

practices followed by the employees and the students and reports the finding of the enquiry to the Principal. Students' Council of the college also plays a vital role in this direction. Many of the grievance related issues are sorted out at the desks of heads of the departments / Principal. Any other major grievances that cannot be sorted out through any of the above committees/mechanisms are referred to the top management for appropriate follow up and advise. This year we have celebrated women's day on 12th March, 2017. All the teaching and non-teaching staff were invited. Dr. Lata Joshi, Doctor & Nutritionist was invited to guide all the ladies staff how to take care of our health in the busy schedule of our life.

10.18 Counseling / Mentoring

Career Counseling:

Dwarkadas J. Sanghvi College of Engineering has made its own global identity through its dynamic and distinguished alumina in the last one decade. Many of its students, after completing graduation from DJSCE, have opted for higher education and have excelled in their chosen career path.

Looking at the trend of students pursuing higher education after undergraduate studies, the college has come up with a counseling centre in 2008. This counseling centre, managed by faculty offers guidance to the students opting for higher education in the following areas:

- Helps students to decide the stream of specialization, Institute/ university selection, application procedure etc.
- Motivates and encourages students to pursue research work, paper publication and participation in seminars and conferences.
- Provides guidance and orientation in selecting electives prescribed under graduate curriculum.
- Provides help in deciding on the final year projects with specific focus on their area of specialisation.
- Offers continuous interaction with students, organise guest lectures/ sessions by alumina and experts from the industry and related fields of higher education.
- Grooms the students to face the global challenges / competitions while securing admission to their dream universities / institutes.

Medical facilities:

SVKM, the parent body has a Health Check up Centre for the teaching and non-teaching staff members of all its institutions. We have a group insurance policy with The New India Assurance Co. Ltd. for all employees.

First aid boxes are made available in laboratories, workshop premises, office etc. Two of our workshop instructors have been given training on first aid.

Cooper Hospital, Nanavati Hospital, Bhavishya Arogya Nidhi Hospital and number of other private nursing homes in the vicinity often cater to the needs of staff and students.

Student Insurance : Yes. Yuva Raksha Group Insurance Scheme.

Cultural activities:

The Students Council had organized various events and activities throughout the year for students. Like Miles with Meanings, Robotics, Marathon, Interdepartmental Dance Competition, Live Concert by Sunidhi Chauhan, Inter-college Dance Competition including DJSCE. The Annual Socio Cultural, Sports & Technical Festival “TRINITY” is organised by DJSCE which has got tremendous response from students.

Sports activities:

On the sports day, various athletic events viz. 100m, 200m, 400m running race, long jump, high jump and shot put for boys as well as girls were organised. We had also organized 50m / 100m running race for the teaching and non-teaching female and male staff members respectively. The musical chair competition organized this year for the staff members, grabbed the most attention on this sports day. Thereafter, students enthusiastically participated and enjoyed the inter-department events of Tug-of-war and Relay.

Mrs. Sucharitha Shetty Karelia was invited as a chief guest for prize distribution ceremony of Annual Sports Day 2018. Mrs. Shetty is a renowned National and International level athlete with numerous achievements. She encouraged all the students, teachers as well as volunteers for fitness in the lifestyle and also to take up sports while pursuing their respective careers for their holistic development.

The sports day then concluded with the cricket match between Principal XI V/S GS XI. Approximately 600 students participated in the various events on the Annual Sports Day.

Literary activities:

The NSS College Unit organizes a number of activities throughout the year. They are planned and executed by the Unit to inculcate the spirit of social commitment in our students. The activities involved in such as Tree Plantation Drive, Old Age Home Visit, Pollution Awareness, Beach Clean Up, Energy Conservation, Animal Hospital Visit, Blood Donation, Tech for Young, Charity Drive and Deeds of Kindness to name a few.

Magazine/Newsletter:

Techno Focus:- Journal for budding Engineers : In order to provide our students an opportunity to develop the skills of writing a research paper, we publish an on-line journal which is a platform for budding engineers to publish their research and project related work.

The hard copy of Vol.1, Issue 1 & Issue 2 were released in October 2010 and March 2011 respectively. Volume 2, Issue 1 was released in October 2011. Volume 2, Issue 2 was released during March 2012.

The Journal is available online. The first issue of online Journal (technofocus-djscoe.org) Volume 3, Issue 1 was released in October 2012, the second issue: Volume 3, Issue 2 was released in March 2013, Volume 4, Issue 1 was released in October 2013, the third issue: Volume 4, Issue 2 was released in March 2014, Volume 5, Issue 1 was released in October 2014, the Fourth issue: Volume 5, Issue 2 was released in March 2015 and Volume 6, Issue 1 is released in October 2015.

Technical activities / Tech Fest:

1. Technical films/ video clippings etc. are screened in the class to orient the students on various aspects of technology.
2. Technical lecture meetings in collaboration with professional bodies are organized to give exposure on emerging areas of technology. Students are encouraged to give technical presentations in the class on topics beyond the syllabus and also take part in technical paper presentations.
3. **International Conference on wireless communication -2017 (ICWiCOM):**
Department of Electronics and Telecommunication Engineering organized the International Conference on Wireless Communication (ICWiCOM) on 19th & 20th January, 2018. The purpose of this international conference was to encourage the growth of research activities among Professors as well as students in various areas of the wireless communication engineering field. Over 100 research papers were received for the conference, out of which 35 selected papers were presented at the conference. The conference was inaugurated at B J Hall with Dr. Surendra Pal, Vice Chancellor, DIAT Pune as the chief guest and Dr. Girish Kumar, Professor, IIT Bombay, as the guest of honour. There were two keynote addresses. The first keynote address was by the Chief Guest, Dr. Surendra Pal (Vice Chancellor, DIAT, Pune) and the second was by the guest of honour, Dr. Girish Kumar (IIT Bombay). It covered a wide range of topics in fields such as microwaves, antennas, wireless networking and signal processing for communication. Plenary talks by eminent speakers such as Dr. S.P. Duttgupta, Associate Professor at IIT Bombay, were also conducted on the research topics mentioned above. Engaging rounds of technical sessions were also conducted, where research papers were presented by participants. The ensuing discussion and debates cultivated a rich environment of research-oriented thinking.
4. **“DJ NIRMITI” - Igniting Manufacturing Renaissance:**
This Competition was jointly organised by the Production and Mechanical Engineering Departments on 21st March and 22nd March, 2018 under the ISME student chapter of the college. Various sessions on current on-going trends in manufacturing sector in connection with Make in India concept were organised. Around 135 students from various engineering colleges in and around Mumbai participated in this program. Students also got an opportunity to present their final year projects in front of the jury members during the program.
5. **“DJASCII” - Project Competition:**
The departments of Computer Engineering and Information Technology of the college (along with DJSCI & DJ ACM) co-hosted DJ ASCII – a state level project competition on 13th April, 2018. The main aim of DJ ASCII was to provide a platform for budding engineers and researchers from all over Maharashtra to share and demonstrate their

innovative ideas in the field of latest technology. We are very happy to say that DJ ASCII has achieved, what it had aimed for by receiving an overwhelming response of total 150 participations, out of which 95 were selected after a rigorous review by our panel of expert reviewers. 74 project groups registered for the competition. The competition received projects primarily in the domains, which were not limited to Artificial Intelligence, Computing, Human Computer Interactions, Data Mining and Analytics and Network & Security. The projects were presented and demonstrated by students from various engineering institutes in parallel sessions. Students also had presented their project ideas with technical paper and abstract of those papers are published with ISSN number. DJ-ASCII thus ended on the note, that the gap between the industrial demand and the education system should be bridged by involving students to participate in competitions like these and help them foster their technical and presentation skills.

6. International Conference on Intelligent Manufacturing and Automation (ICIMA 2018):

International Conference on Intelligent Manufacturing and Automation was held on 20th and 21st July 2018. About 109 research papers were received for the conference. After a thorough review process comprising of 23 eminent academicians and industrialists, 66 papers were finally accepted to be presented at the conference. The inauguration session was attended by Shri Anil Kumar Modi, Sr. Vice President of L&T Ltd, Mumbai & Dr. Suresh Ukarande, Dean of Faculty Science & Technology, UOM. Shri Amil Kumar Modi delivered the keynote address. On day 1, Dr. Guruprasad Rao, Director, Imaginarium was the speaker for the plenary session. Eight technical sessions were arranged for presenting the papers. These sessions were chaired by Dr. S M Khot, Dr. Arun Kumar, Dr. N. Raykar, Dr. S. Umale, Dr. V. Sunuapawar and Dr. V. Phalle. On day 2, Shri Vilas Tawde (Managing Director & CEO at Essar Oil and Gas, Exploration and Production Ltd), was the speaker for the plenary session. Six technical sessions were arranged for presenting papers. These sessions were chaired by Dr. L Ganapathy, Dr. A Pundir and Dr. Sanjay Kumar. About 6 papers were presented through Skype. Springer, a leading international publisher in this field has published the Conference Proceedings digitally under the series "Lecture Notes in Mechanical Engineering", which is a UGC approved journal. 9 hard copies of the proceedings were supplied to the Editors by the Springer.

7. DJ Spark 2018:

The student chapter of IETE-SF organised 'DJ Spark 2018' a state level project-based technical paper presentation competition, on the 13th of April 2018 in the college premises. It provided a platform for students to build their technical skills and showcase their talent in the form of projects. We received papers from around 90 groups consisting of over 250+ participants. After rigorous scrutiny by our Faculty Review Team, around 90 participants from various colleges were present on the day of the event showcasing 28 excellent papers and projects.

The event was inaugurated by the Head of Department of EXTC, Dr. Amit A. Deshmukh, the IETE-SF branch counsellor. The Judges for the event were Mr. Neeraj Gangrade and Mr. Santosh Chapaneri, outside technical experts.

The winning projects of the competition were-

1st Prize- Braille Display for the Visually Impaired

2nd Prize- Portable Healthcare Device

3rd Prize- Wireless Automatic Food Cooking for Basic Indian Meals

The winning team received a prize money of ₹12,000, whereas the first and second runner up teams were awarded a cash prize of ₹6,000 and ₹4,000 respectively. The papers of all the 28 projects have also been published in DJ Spark's very own technical journal.

8. **Codeshastra:**

Every year, a large number of teams from our college apply for participation in Codeshastra, which majorly include coding competitions. However, only a selected few get to be a part of Hackathon, which is a higher level coding event. The initial round, i.e., Round 0 of Codeshastra 4.0 was conducted for college students on 28th of January, Sunday on the 5th and 6th floor. This was an elimination round for the students from which few best teams were selected for Round 1. College alumni, Ankit Anchan, Chirag Jain, Jash Kothari, Lekhraj Varshney, Rohan Suri, Pratik Deshpande, Sagar Patel and Vikas Salvi were the mentors for the contestants and also judged the projects. Students were given 6hrs to develop their model. The event ended at 6pm with 15 teams being shortlisted by the judges. DJCSI organized 24-hour hackathon, Codeshastra 4.0 on 10th and 11th February 2018. It was an intercollege event with 14 colleges participating. 40 teams participated with 25 outhouse teams and 15 teams from D.J. Sanghvi College. The judges for the day were Mr. Ajit Joshi, Secretary of CSI Mumbai, Mr. Atul Gandre, Global technology head-IBM at TCS, Mrs. Nita Khare, Global Analytics lead-IBM at TCS and Ms. Hiloni Punatar, partner at Think Digital. Team Connect emerged as the 2nd Runner up, Noddy and Friends were the 1st Runner up and Pythrions emerged as the proud Winners of Codeshastra 4.0.

9. **DJ IGNITE:**

IGNITE is the official IETE-SF newsletter which contains articles as well as the reports of all the events conducted by IETE-SF throughout the year. Articles on Topics like big data analysis and Google's Keynote 2017 were covered in the 2018 feature. 'Into the future' section of IGNITE has articles dedicated to futuristic technology like augmented reality and automation. DJ IGNITE has attempted to provide solutions to the modern day problems by focusing on different technologies considering economic sustainability and demo graphical terms, hence inspiring the minds of our readers.

10. **DJ Strike:**

'D J Strike' is a mentorship program and an initiative which begun at the start of this academic year, also showcased their projects. Teams comprising of second year and third year students were given an opportunity to create industrial level projects under the guidance of BE mentors as well as a faculty mentor. The journey began with over 200 participants and 45 groups and. 20 groups, 85 Students then got handpicked for the final demonstration and were evaluation. Their papers were published in our DJ Strike journal, which has a recognized ISBN number.

Industrial Visits / Tours:

Industry visits are organized on regular basis right from the first year level.

Alumni activities:

Alumni Meets are conducted department-wise every year. Alumni actively participate in the Meet, guide current students and interact with faculty members.

Few distinguished Alumni include:
