

## HEARTY CONGRATULATIONS!

### DJS Speedsters

With immense pleasure, we would like to inform you that DJS Speedsters, our college bike team participated in the National Online E-Bike Design Competition organised by FMAE and has secured 3<sup>rd</sup> position at the All India level. The competition was held on the 13<sup>th</sup> of September 2020 and it was a virtual technical inspection of our team's 2019-20 season E-Bike. The FMAE (Fraternity of Mechanical and Automotive Engineers) organised the National Online E-Bike Design Competition, wherein teams from all over India participated in a Virtual Presentation and Technical Inspection of their electric rides.

“DJS Speedsters” designs and fabricates an Electric Motorcycle and participates in national as well as international design competitions. Based on the outcome of the above event, the team is now planning for its next goal – that is to participate in the biggest college level Motorcycle tournament-FMAE MotoStudent Spain, to compete with the best teams from the rest of the world.

Hearty congratulations to Dr. K.N. Vijayakumar and his team of staff members & students.
