

Congratulations!

“DJS MILES”

(The official Super Mileage Team of DJSCE)

for securing

**4th Rank Globally
amongst 132 teams participated**

in the

**“Future PTF” event
in the Shell Eco-Marathon**

held on 30th October 2020.

This is a spectacular achievement and we congratulate the entire team of students, Head of the Department - Dr. K. N. Vijayakumar and Faculty co-ordinator - Prof. Rajnarayan Yadav for this success.

We wish all of you the very best in all your future endeavours as well.

Details are as follows:

DJSCE's official Super Mileage Team "DJS miles", under the SAE Student chapter, participated in an international Future PTF event in the "Shell Eco-Marathon" and was ranked 4th from amongst 132 teams competing globally.

An Anglo-Dutch multinational oil and gas company conducted its yearly event "Shell Eco-Marathon", which was held on the 30th October 2020. Due to the current circumstances, the The Future PTF event was conducted online, namely Pitch, wherein 132 teams participated globally.

This year, Shell announced a Global Virtual League for all the participants. It is a point-based league with the team finishing with the highest points being rewarded at the end of all events. There are 4 events in the Global Virtual League- Pitch the Future, Autonomous Programming, Bonus Challenges, Virtual Technical Inspection. Recently, the results for Pitch the Future event, which took place in October, were announced. We are proud to announce that DJS Miles has scored 25 points in this competition and stood 4th globally making our college and the country proud on an international level.

Prototype of "DJS Miles"

Dr. Hari Vasudevan
(Principal)
