Open Mic Night

Date: 11th January, 2020

Venue: Drawing Hall 2

There's nothing better than live music. It's raw energy, and raw energy feeds the soul.

-Dhani Jones

Held in collaboration with DJ Lit, the ambience was magical on this night, the drawing hall lit by starry lights and a large banner that spelled out “Open Mic Night”. The event was sponsored by Coolberg, Alibaba tattoos, and Brew House Ice Tea.

Over the course of this event, that spanned about 6 hours, from 3 in the afternoon to 9 at night, the stage was graced by several performers, both musical and spoken word. The room was packed all evening with an enthusiastic audience, that appreciated every bit of talent that was exhibited that day.

We witnessed several students, both from our college, and from outside our college, performing confidently on stage. There were singers, musicians, poets, stand up-comics and many more who wowed the audience away. The event was also attended by our beloved Principal, Dr. Hari Vasudevan.
