

Minutes of the meeting of the Governing Body (GB).

The 9th meeting of the Governing Body of Shri Vile Parle Kelvani Mandal's Dwarkadas J. Sanghvi College of Engineering was held on **Monday, 12th August 2024 at 12.00 noon**. The meeting was held in the Conference Room, SVKM, 10th floor of the NMIMS building. Online provision to attend the meeting on MS Teams platform was also arranged.

The following members were present:

1. Shri. Amrish R. Patel, President, SVKM & Chairman, Governing Body, DJSCE.
2. Shri. Bharat M. Sanghvi, Vice-President & Trustee SVKM and I/C, DJSCE.
3. Shri. Nayan Patel, Member, Executive Committee & Managing Committee, SVKM.
4. Dr. Sharad Mhaikar, Pro-Vice Chancellor, NMIMS (Deemed to be University).
5. Dr. R. K. Shevgaonkar, Pro-Vost, Somaiya Vidyavihar University, Former Director, IIT Delhi & Former Vice Chancellor, University of Pune.
6. Dr. Vidyagauri Lele, Vice Chancellor's Nominee, University of Mumbai and Principal, N. G. Acharya & D. K. Marathe College, Chembur, Mumbai.
7. Shri. Pramod Naik, State Government nominee, Joint Director, Technical Education, Mumbai Division.
8. Dr. Prasad S. Joshi, HoD Electronics Engineering Department, DJSCE, Teacher of the college.
9. Dr. Meenakshi Rananaware, Assistant Professor, Applied Chemistry, DJSCE, Teacher of the college.
10. Ms. Shreeya Hadkar, Registrar, DJSCE, Administrative Staff of the college.
11. Dr. Narendra Shekokar, Vice Principal, DJSCE (By Invitation).
12. Dr. Hari Vasudevan, Principal, DJSCE, Principal & Member-Secretary.

Leave of Absence was granted to Shri. Jayant P. Gandhi, Hon. Secretary, SVKM.

Item 1: Welcome to the members of the Governing Body.

The Principal, Dr. Hari Vasudevan greeted all the members and welcomed them all. He then thanked all the members present for attending the meeting.

Item 2: To confirm the minutes of the meeting of the GB held on Monday, Thursday, 03rd August 2023.

The Principal, then requested the members to once again go through the minutes, which was originally sent by e-mail to the members on Thursday, the 10th of August 2023 for suggestions/modifications and/or corrections, if any, requesting it to be sent back by the 20th of August 2023. No major suggestions were received and few of the members confirmed the minutes online then. After going through the minutes, the members approved the

same and the minutes of the meeting of the Governing Body, held on Thursday, 03rd August 2023 were then confirmed by the Chairman, Governing Body, DJSCE and President, SVKM, Shri. Amrish R. Patel.

Item 3: To note and discuss on the deliberations held in the 9th & 10th Academic Council meetings as well as to note the approvals given by the council for the Scheme & Syllabus of all the B.Tech. & M.Tech. programmes.

The Principal, Dr. Hari Vasudevan, informed the members about the BoS meetings of various B.Tech. programmes held on the below mentioned dates. He informed the members about the major BoS suggestions approved by the Academic Council (previously approved by the respective BoS), the details of which are given below. He also informed that all the respective BoS minutes have been finalized and approved by the members and chairpersons.

BOARD OF STUDIES – 9TH ACADEMIC COUNCIL

He then took the members through the details of the adoption of NEP 2020 aligned curriculum (DJS23) of various semesters from the A.Y. 2024-25 onwards for all the programmes of B.Tech. & M.Tech.

He also requested the members,

- b) To note and approve the scheme & syllabus of B.Tech. programmes (DJ19) being offered to students in the A.Y. 2024-25 (Sem VII) of Artificial Intelligence and Machine Learning, Artificial Intelligence (AI) and Data Science & Computer Science and Engineering (IoT and Cybersecurity with Block chain Technology).
- c) To note and approve the scheme & syllabus of Honours (DJ19) being offered to students in the A.Y. 2024-25 (Sem VII) of Artificial Intelligence and Machine Learning, Artificial Intelligence (AI) and Data Science & Computer Science and Engineering (IoT and Cybersecurity with Block chain Technology).
- d) To note and approve the scheme & syllabus of B.Tech. programmes (DJS22) - Sem V in Computer Science and Engineering (Data Science) and Artificial Intelligence and Machine Learning, Artificial Intelligence (AI) and Data Science & Computer Science and Engineering (IoT and Cybersecurity with Block chain Technology).
- e) To note and approve the scheme & syllabus of Honours (DJS22) being offered to students in the A.Y. 2024-25 (Sem V) of Artificial Intelligence and Machine Learning, Artificial Intelligence (AI) and Data Science & Computer Science and Engineering (IoT and Cybersecurity with Block chain Technology).
- f) To note and approve the scheme of teaching and examination of Honours program on "Electric Vehicles" and "Robotics" and detail syllabus of Sem V of scheme DJS22 for the U.G. program in Mechanical Engineering to be implemented from academic year 2024-25.
- g) To note and approve the panel of paper setters and examiners of Autonomous Scheme for all undergraduate programmes for the End Semester Examination to be conducted from A.Y. 2024-25 onwards.
- h) To note and approve the Autonomous Scheme (DJS24) of M.Tech. programmes, EXTC Engineering, Computer Engineering and Mechanical Engineering.

Shri. Nayan Patel suggested adding more courses in the electives. Shri. Amrish R. Patel suggested including foreign languages like, German and Japanese for the benefit of students. Principal mentioned that details will be worked out and implemented soon. The members then unanimously approved all the schemes and syllabus mentioned, as above.

Item 4: To review and approve the increase in intake in the Undergraduate Programmes as well as existing Post-graduate Programmes and Ph.D.

**programmes from the A.Y. 2024-25 (regulations and approvals from various governing agencies).**

The Principal, then informed the members about the increase in intake of various B.Tech. Programmes from the A.Y. 2024-25. He informed that the intake of various B.Tech. programmes from the A.Y. 2024-25 has been approved by the AICTE through the Extension of Approval (EOA) given for the year as well as DTE, University of Mumbai etc. GR has been issued and all approvals are received from Governing Agencies. The details of various programmes are as follows.

- Item 6: To review and approve the status of recruitment of the new teaching staff members to be recruited from the A.Y. 2024-25 in various B.Tech. and M.Tech. programmes.**

The Principal, then appraised the members about the status of recruitment of the new teaching staff members to be recruited from the A.Y. 2024-25 for various B.Tech. and M.Tech. programmes. Selection process for the branches of Computer Engineering and allied branches are already completed. Recruitment is in process for the branches of Mechanical and EXTC as well as First Year B.Tech. programmes. The total vacancies to be filled is 46 (Professor – 4, Associate Professor – 14 & Assistant Professor – 28), across 8 departments & First Year subjects in the college. Members unanimously approved the same.

Item 7: To review/ratify the budget for the F.Y. 2024-25 as well as to note the fixation of fees of the students admitted in A.Y. 2024-25.

Budget for the F.Y. 2025-26 has been approved by the Finance Committee. Members went through the details and approved & ratified the same. Also, as per the management instructions, college had applied for "No Fee Upward Revision" for the A.Y. 2024-25 to Fee Regulating Authority (FRA). Current the yearly fees of the First Year admitted student is 2,21,125/- per year. Members noted the details of the same.

Item 8: To note the report of regular examinations and a brief of the activities of the Examination section.

The Principal, then briefed the members about the regular examination results, details of which are as follows:

Dr. Vidyagauri Lele, Nominee of the Vice Chancellor, University of Mumbai appreciated the results. She complimented the staff and students of the same. With the implementation of National Education Policy (NEP) 2020, in the A.Y. 2023-24 in the college, it is proposed to also adopt the revised and recommended Grading Scale, for the purpose of calculation of GPA/CGPA, w.e.f. the batch admitted in A.Y. 2024-25 onwards, progressively, for all the UG and PG programmes. The Principal, took the members through the current and proposed Grading Scales. Details of which are as given below:

Grading Scale recommended in NEP 2020:

Grade Points and Letter Grades			
Percentage of Marks Obtained	Grade Point	Letter Grade	Performance
90 -100	10	O	Outstanding
80-89.99	9	A+	Excellent
70-79.99	8	A	Very Good
60-69.99	7	B+	Good
55- 59.99	6	B	Above Average
50-54.99	5	C	Average
40-49.99	4	P	Pass
Below 40	0	F	Fail
Absent	--	AB	Absent

Current Grading Scale

Grade Points and Letter Grades			
Percentage of Marks Obtained	Grade Point	Letter Grade	Performance
90.00 and above	10	O	Outstanding
80-89.99	9	A+	Excellent
70-79.99	8	A	Very Good
60-69.99	7	B+	Good
55- 59.99	6	B	Above Average
50-54.99	5	C+	Average
45-49.99	4	C	Satisfactory
40-44.99	3	D	Pass
Less than 40	0	F	Fail
Absent	--	F	Fail

Members unanimously approved the same. The Principal then discussed about the eligibility criteria for Honours / Minor Degree program (Current Third Year Students, i.e., DJS22 scheme as well as for current Second Year students of DJS23 scheme). The details are given below:

ELIGIBILITY CRITERIA FOR HONORS PROGRAM

DJS22 scheme

- Students with no backlog (live or dead KT) in semester I, II, III and IV.
- The CGPA (based on semester I, II, III and IV) of the students must be 7.50 and above.
- For direct second year (DSE) admitted students - No backlog in semester III and IV, CGPA must be 7.50 and above.
- It is optional for learners to take Honours/Minor degree program.
- Each eligible student can opt for maximum one Honours or one Minor Program at any time.
- The Honours/ Minor degree program can be opted only during regular engineering studies.
- The student shall complete the Honours/ Minor degree program in stipulated four semesters only.
- Students shouldn't be involved in any Unfair Means activity.

DJS23 scheme

- Students with no backlog (live or dead KT) in semester I & II.
- The CGPA (based on semester I & II) of the students must be 7.50 and above.
- For direct second year (DSE) admitted students - Diploma passing marks as 70% and above.
- It is optional for learners to take Honours degree program.
- Each eligible student can opt for maximum one Honours Program at any time.
- The Honours degree program can be opted only during regular engineering studies.
- The student shall complete the Honours degree program in stipulated five semesters viz. 3rd, 4th, 5th, 6th, and 7th - for the departments of: COMPS, IT and CSE(DS) and in the stipulated five semesters of - 3rd, 4th, 5th, 6th and 8th - for the departments of: EXTC, AI & DS, AI & ML and CSE(ICB).
- Students shouldn't be involved in any Unfair Means activity.

Members went through the details and approved the same.

The Principal then appraised the members about the Autonomy Scheme Course Equivalence. In the present scenario there are three curriculum schemes in progress at the institute – viz. DJ19, DJS22 and DJS23. In view of academic failure or medical reasons, few learners have suffered academic year loss. Such candidates are expected to undergo a transition from one curriculum scheme to the other. In view of this, and to facilitate the transition, a course equivalence committee has been constituted at the institute under the chairmanship of vice-principal, Dr. Narendra Shekokar. In the above context, the Heads of Departments corresponded with former Dean Academics - Faculty of Technology (University of Mumbai), to seek inputs and advice for evolving course equivalence on the lines implemented in the University of Mumbai. Also, it was pointed out that an acceptance from AC members in principle was obtained towards deciding the scheme of equivalence implementation. Details of the same are given below.

- It is proposed that:
 - To reduce the overall burden on the drop-out students in this process of scheme equivalence, only the necessary subjects, which are a pre-requisite for the other advanced subjects in the higher semesters should be identified at the department-level for their conduction.
 - The mode of conduction of the identified deficit courses is proposed to be through open sources like Swayam, NPTEL etc., to cover the course content through these standardized sources as well as to reduce the burden on the student. This shall be done ensuring thoroughly that technical contents in terms of pre-requisites and credits are satisfied as well as ensuring that the courses from reputed MOOC platforms like, NPTEL, SWAYAM and the likes are only selected / recommended by the departments.
For example:
 - Conduction of program-core courses included in the first year in DJS22 and DJS23 schemes, while not included in first year in DJ19 scheme is to be carried out at the department-level in the 4th semester along with the diploma students.
 - Internal assessment of such deficit courses shall be done through assignments at the department-level, while the end-semester examinations shall be conducted centrally by the examination section.
 - In case of a greater number of deficit courses to be done by the student in any particular semester during transition, the distribution of such courses over the coming semesters shall be decided at the department-level (preferably within the same academic year), to reduce the credit burden on the student.

An example was also pointed out by the Principal. The details of which are:

DJ19 Student dropped out in 1st year and switching to DJS23 in 2nd Year.

Requisite Courses to be completed:

Course: Object Oriented Programming using Java & Object Oriented Programming using Java Laboratory

Recommended NPTEL Course: Programming In Java, By Prof. Debasis Samanta, IIT Kharagpur.

Dr. R. K. Shevgaonkar appreciated the approach and gave his approval for the same. Chairman, Shri. Amrish Patel & other members also then gave approval and complimented the process.

Item 9: To review the overall progress of the college during the semester period August 2023 to June 2024.

The Principal, Dr. Hari Vasudevan, informed the members that University of Mumbai has granted Empowered Autonomous Status to the institute for a period of ten years from the A.Y. 2024-25 to 2033-34. Members noted the same & congratulated the Principal and teachers for the same.

The Principal, Dr. Hari Vasudevan, then took the GB members through the various faculty achievements. He informed that a total of 10 books were published by the faculty members during the last 8 months. Also, 38 and 35 research papers were published in International & National Journals and in International & National Conferences respectively by the faculty members during the period. A total of 3 Patents and 4 Copyrights were granted & 10

Design Registrations were also granted during the period. The total Workshop, Webinars, FDPs attended by the Faculty members were more than 63 and 05 FDPs were organized during the period. Other Achievements of faculty members were also presented. Dr. Vidyagauri Lele appreciated their achievements and complimented the institute for the same. Principal also mentioned about the major achievements of students in various competitions/events. 11 papers were published by college students in various research conferences.

The Principal, then appraised the members about the college rankings and recognitions, given by various agencies/ organisations for the A.Y. 2024-25. Shri. Amrish R. Patel, Dr. Shevgaonkar, Dr. Vidyagauri Lele and Shri. Nayan Patel congratulated the DJSCE team on the achievements. The details of the rankings and recognition are as follows.
