## DJSCE ACM ANNUAL REPORT 2024-25

An official student chapter of the Association for Computing Machinery at **Dwarkadas J. Sanghvi College of Engineering, Mumbai**. We are known for promoting erudition by organizing various events to supplement traditional learning practices & cater the fast-paced growing demand for rising talents. We are a group of like-minded students, with a common goal of creating an environment that is conducive to technological know-how while promoting creative and leadership skills.

Dwarkadas J Sanghvi's Association of Computing Machinery (DJSCE ACM) Student chapter organized multiple events during this current academic year. To create a sense of community and increase outreach, DJSCE ACM's social media accounts constantly posted helpful content on Instagram, LinkedIn and Discord. The term has been a resounding success, as demonstrated by the reception of the following events.

With a total registrations of 2500+ across events from all around the country, we can proudly claim that the term has been a resounding success, as demonstrated by the reception of the following events.

**DWARKADAS J. SANGHVI COLLEGE OF ENGINEERING**

(Autonomous College Affiliated to the University of Mumbai)

NAAC Accredited with "A" Grade (CGPA : 3.18)

Department of Computer Engineering

Expert: Dr. Meera Narvekar, Dr. Kiran Bhowmick, and Prof. Pankaj Sonawane.

Association of the expert: D.J Sanghvi college of Engineering

Mode of Meeting : Online

Date/s of the event: 1<sup>st</sup> August, 2024

Participants: 250

Objectives of the activity:

The objective of this seminar is to introduce participants to the DJSCE - ACM student chapter, its activities, and its benefits. Through this orientation, attendees will gain insights into the structure and functioning of the ACM chapter, meet the faculty coordinators and core team members, and learn about past and upcoming events. The seminar aims to inspire students to actively engage and contribute to the technological community at DJSCE, fostering a collaborative and educational environment.

## **Department of Computer Engineering**

### **Academic Year 2024-25**

#### Contents:

The new semester at DJSCE - ACM commenced with an engaging orientation seminar attended by over 80 individuals from various departments. The session began with an introduction to our parent organization and our chapter, followed by the presentation of our faculty coordinators: Dr. Meera Narvekar, Dr. Kiran Bhowmick, and Prof.

Sonawane. We also introduced the 17 core team members of our student chapter. The seminar highlighted past events organized by DJSCE - ACM, including ACM 101's, Lines of Code [LOC], Industrial Visits, Internship Fair, Hour of Code, Codebash, and Digihunt. Additionally, we emphasized our commitment to technological education. We concluded by discussing the upcoming ACM Co-Committee Interviews and the benefits students can gain by being part of the DJSCE - ACM student chapter. The orientation inspired attendees to actively engage and contribute to our vibrant community.

#### Outcomes:

- Understand the mission and vision of the ACM parent organization and the DJSCE - ACM student chapter.
- Identify and recognize the faculty coordinators and core team members of the DJSCE - ACM student chapter.
- Appreciate the importance of technological education and the role of ACM in enhancing their academic and professional development

Expert: Dr. Kiran Bhowmick and Prof. Pankaj Sonawane

Association of the expert: D.J Sanghvi college of Engineering

Date/s of the event: 30<sup>th</sup> August 2024 to 28<sup>th</sup> September 2024

Participants: 357

Objectives of the activity:

- Significantly increase the reach of the committee among students across various departments.
- Through targeted online and on-campus publicity efforts, the aim was to highlight ACM's benefits and resources, attract student interest, and ultimately drive membership sign-ups.
- Emphasize on building a vibrant community of students catering to technical and non-technical development and benefits .

Contents:

During the membership drive, comprehensive efforts were deployed to engage students effectively. Online and on-campus publicity campaigns utilized popular social media platforms like WhatsApp, Instagram, Facebook, and LinkedIn, alongside visually appealing displays and multimedia content highlighting ACM's advantages. A prominent technical attraction at the college's registration desk showcased ACM's technical expertise, serving as a focal point to

draw interest from students across various departments. Exclusive membership benefits were emphasized, including priority access to coding competitions, discounted industrial visits for practical learning, mock interview sessions preparing students for professional settings, access to ACM's digital library for academic enrichment, newsletters keeping members informed of industry news, and networking opportunities through an official Discord server.

**Outcomes:**

- The results of the membership drive were exceptionally positive, with over 295 new members enrolled.
- A robust response and heightened interest among students throughout the institution.
- The combined effectiveness of online and on-campus promotional strategies contributed to this achievement, successfully showcasing ACM's value proposition and securing a strong membership base from diverse academic disciplines.

NAAC Accredited with "A" Grade (CGPA : 3.18)

## **Department of Computer Engineering Academic Year 2024-25**

### **ACM Research Seminar**

**Expert: Dr Kiran Bhowmick & Prof. Pankaj Sonawane**

Association of the expert: D.J Sanghvi college of Engineering

Date/s of the event: 15<sup>th</sup> August 2024

Objectives of the activity:

- Provide an overview of systematic approaches to conducting research in computer science, including problem identification, literature review, hypothesis formulation, and experimentation.
- Motivate students, particularly undergraduates and early graduate students, to engage in research by highlighting its importance in advancing technology and solving real-world problems.
- Showcase the ACM Student Chapter's commitment to fostering research, networking, and professional development within the computing community.
- Emphasize the importance of ethical standards in research, including proper citation, avoiding plagiarism, and ensuring reproducibility.

Description:

On 18<sup>th</sup> August 2024, the ACM Student Chapter at DJ Sanghvi College of Engineering hosted an insightful session titled "Why Research Papers? Comprehensive Guide," presented by Mihir Panchal, a Research Intern at IIT Patna and Research Head at DJSACM. The event aimed to demystify the process of reading, writing, and publishing research papers, particularly for undergraduate students in computer science and related fields. With his extensive experience as an

open-source contributor, 8x hackathon finalist, and former intern at Infiheal and the Illinois Institute of Technology, Mihir provided a practical and motivating guide to academic research.

- Participants gain a clearer understanding of the research process, including how to frame research questions and design experiments in computing fields
- Attendees acquire practical skills, such as conducting literature reviews, using research databases (e.g., ACM Digital Library), and structuring research papers
- Participants connect with peers, faculty, and ACM members, fostering collaborations that could lead to joint research projects or mentorship opportunities.
- The event reinforces the ACM Student Chapter's role as a hub for academic and professional growth, encouraging more students to join and contribute to ACM activities

## Department of Computer Engineering Academic Year 2024-25

### DigiHunt 5.0

Expert: Dr. Kiran Bhowmick and Prof. Pankaj Sonawane

Association of the expert: D.J Sanghvi college of Engineering

Date/s of the event: 15th October, 2024

Time of the event: 12:30 PM to 7:00 PM

Participants: 200(50 teams of 4 Members)

#### Objectives of the activity:

- **Test Critical Thinking & Coding Skills:** Solve challenging tech-based puzzles and coding problems to advance through each round.
- **Promote Teamwork:** Encourage cross-department collaboration to enhance teamwork and problem-solving abilities.

## Department of Computer Engineering Academic Year 2024-25

- **High-Stakes, Thrilling Format:** Engage participants with intense, elimination-based rounds inspired by Squid Game.
- **Crown the Ultimate Team:** Only one team will win by combining strategy, technical skills, and collaboration.

### Description:

DigiHunt 5.0, an offline treasure hunt inspired by *Squid Game*, offered a thrilling challenge that combined coding skills, general knowledge, and problem-solving. Open to students from all departments, the event attracted 200 participants from over 45 teams of 4 members. The competition featured multiple games of varying complexity, each designed to push participants' intellectual and collaborative abilities. Teams had to solve a series of intricate clues to unravel a storyline and prevent a fictional catastrophe.

The treasure hunt included ten distinct puzzles, each presenting a new challenge that tested participants' critical thinking, coding, and teamwork. A quiz master was available to provide guidance when needed, ensuring smooth progression through the event.

DigiHunt 5.0 not only tested technical and problem-solving skills but also fostered teamwork and strategic thinking, leaving participants with a memorable and enriching experience.

### Outcomes:

- Demonstrate improved coding skills and general knowledge through participation in the treasure hunt.
- Exhibit enhanced problem-solving abilities by successfully solving a series of complex clues and puzzles.
- Collaborate effectively with team members to achieve a common goal.

### **Academic Year 2024-25**

offline and 20 teams participated online.

The event kicked off on 8th February 2025 with an electrifying Inauguration ceremony, where our esteemed Principal Dr. Hari Vasudevan, Vice Principal Dr. Narendra Shekokar, HoD Computer Department Dr. Meera Narvekar, Faculty Coordinators Dr. Kiran Bhowmick and Professor Pankaj Sonawane graced the occasion, inspiring the participants with their words of wisdom. Our Principal's powerful speech encouraged everyone to push boundaries and innovate fearlessly. The event was further honored by the presence of our distinguished Chief Guest, **Mr. Nimish Somaiya** from Tata Projects having more than 23 years of Experience in Data Engineering.

The adrenaline-filled coding round commenced at 11:00 am, sparking dynamic discussions and relentless brainstorming among participants to craft the most ingenious solutions. Two engaging mentoring rounds at 4 pm and 11 pm saw experienced BE students offering valuable insights to enhance the projects. Technical support was available throughout the event to help teams bring their visions to life.

The high-stakes judging round took place on 9th February 2025, where industry experts Hussain Pettiwalla, Adnan Ahmed, Jay Jain, Jash Doshi, Kushal Shah, Nimesh Bumb, and Faraaz Biyabani critically evaluated the projects. Additionally, online judges Anil Kumar from AWS and Praveen Myakal from JP Morgan participated as judges and code reviewers, ensuring a thorough assessment of all projects.

10 exceptional teams made it to the grand finale, where excitement peaked as participants showcased their projects with enthusiasm and confidence. The winners of LoC 7.0 were:

## **Event 1: Mock Interviews**

### **Objective:**

- Provide students with realistic interview practice ahead of the Internship Fair.

### **Content:**

Mock interviews were conducted to help students prepare for the Internship Fair. These sessions provided a realistic interview experience, allowing participants to practice their responses and receive constructive feedback. By simulating actual interview scenarios, the mock interviews aimed to boost students' confidence, improve their communication skills, and refine their interview techniques, ensuring they are well-prepared for the real internship opportunities.

## Event 2: Internship Fair

### Objective:

- Facilitate a platform for students to explore internship opportunities, interact with industry professionals, and enhance their career readiness.

### Content:

**The Internship Fair '25**, jointly hosted by **DJS ACM**, **DJS CSI**, and the **DJSCE Placement Cell**, was a dynamic and impactful event, showcasing a wide array of opportunities for both students and companies. The event witnessed an impressive turnout, with over **1500 students registering** and **50+ esteemed companies** participating. This created a vibrant platform for networking, exploration, and professional growth.

Students had the unique opportunity to engage directly with industry professionals, gaining invaluable insights into various career paths and the skills required to succeed in them. The interactions at the fair were not merely about securing internships but also about understanding industry expectations, trends, and the practical applications of their academic knowledge. These engagements helped students better align their career aspirations with the realities of the job market.

The fair emphasized the importance of collaboration and commitment, fostering meaningful connections that went beyond just internship offers. It opened doors to exciting prospects and long-term professional relationships. The event celebrated the crucial fusion of academia and industry, underscoring the importance of practical exposure in complementing theoretical learning. By bridging this gap, the fair played a vital role in preparing students for future career readiness.

**Outcome:**

This initiative highlighted the collective effort to enhance the **employability and professional growth** of students, making it a **resounding success**.

We received appreciation from **DeepCytes** for organizing the fair. Additionally, multiple companies, both **on-campus** and **online**, provided **positive feedback**, commending the organization and impact of the event.

- Engage directly with industry professionals to gain insights into different career paths.
- Learn about the practical applications of their academic knowledge in various industries.
- Understand the skills and qualifications required by different companies.
