9 Organisational Chart

Principal is the academic and administrative head of the college, assisted by Vice Principals, Heads of Departments and Registrar.

#### 10.10 Student feedback mechanism on Institutional Governance/faculty performance

The Student Council is the main channel for feedback on Governance. There is a formal procedure, forming an integral part of students' performance evaluation of faculty. Formal feedback is also sought from alumni and industry. Informally, feedback is also taken from professional bodies, professionals and other agencies through interactive roles.

#### 10.11 Grievance redressal mechanism for faculty, staff and students

As per the University guidelines, the college has a Women Development Cell (WDC), formed to look after women (female staff and students) grievances, if any. WDC often organizes programmes for the benefit of women. A Grievance Committee also exists in the college to look after the grievances of staff members and to address them. Local Managing Committee also takes care of staff and students grievances. Unfair means committee appointed by the Principal independently enquires any unfair practices followed by the employees and the students and reports the finding of the enquiry to the Principal. Students' Council of the college also plays a vital role in this direction. Many of the grievance related issues are sorted out at the desks of heads of the departments / Principal. Any other major grievances that cannot be sorted out through any of the above committees/mechanisms are referred to the top management for appropriate follow up and advise. This year we have celebrated women's day on 12<sup>th</sup> March, 2020. All the teaching and non-teaching staff were invited.

### **THE MAHARASHTRA PROHIBITION OF RAGGING ACT, 1999**

#### **Commencement**

The Act has come into force with effect from 1<sup>st</sup> June, 1999 and the institute will initiate strict action against anyone directly or indirectly involved in ragging.

#### **ANTI RAGGING CELL**

The anti ragging cell of the college is headed by the Principal. Vice-Principals, eight Heads of Departments and two first year teachers constitute the other members of the Cell. The contact details of the Principal are 9821464696/022-26123892/022-26107461.

## 10.14 Coursera (Online courses) Scheme under "Covid19" affected Universities &amp; Colleges

Many of our faculty members completed various online courses from various universities on the Coursera platform during the lockdown period under the "Coursera Covid19 Scheme". These courses were also made available to our college students and many of them have completed a lot of courses during the lockdown period. Various statistics pertaining to the students as well as faculty members are as given below (As on 09<sup>th</sup> July 2020):

<b>Particulars</b>	<b>No. of Students</b>
Total enrollments	15578
Total unique learners who have enrolled in at least one course	2354
Current members	2937
Removed members	141
Total unique courses	2409

Total course completions	5488
Total verified course completions	5488
Total unique course completers	1462
Total estimated hours spent	65472
Learners who have completed 50% of a course	1641
Learners who have joined the program but have not enrolled in a course	306
Learners who have enrolled in a course but have not completed any course	892
Learners who have enrolled in 1 course	400
Learners who have completed 1 course	469
Learners who have enrolled in 2 courses	357
Learners who have completed 2 courses	284
Learners who have enrolled in more than 2 courses	1597
Learners who have completed more than 2 courses	709

#### 10.15 Number of Patents held by the college:

Years	Name & Title of Patents	Name of the Faculty Members
2019	“An Intraductal patent ductus arteriosus occlusion device and method for making the same”.	Dr. Vaibhavi Sonetha
2019	“Intake Manifold For Air Restricted Engines”, Design No.: 318182-001, Class: 15-01, Date of Registration: 28/05/2019.	Dr. Hari Vasudevan, Dr. K. N. Vijayakumar Prof. Vinit Katira, et. al.
2019	“Spindle for Vehicles”, Design No: 318351-001, Class: 12-16, Date of Registration: 31/05/2019.	Dr. K. N. Vijayakumar, Dr. Hari Vasudevan, Prof. Bronin Cyriac, et. al.

10.18 Counseling / Mentoring

**Career Counseling:**

Dwarkadas J. Sanghvi College of Engineering has made its own global identity through its dynamic and distinguished alumina in the last one decade. Many of its students, after completing graduation from DJSCE, have opted for higher education and have excelled in their chosen career path.

Looking at the trend of students pursuing higher education after undergraduate studies, the college has come up with a counseling centre in 2008. This counseling centre, managed by faculty offers guidance to the students opting for higher education in the following areas:

- Helps students to decide the stream of specialization, Institute/ university selection, application procedure etc.
- Motivates and encourages students to pursue research work, paper publication and participation in seminars and conferences.
- Provides guidance and orientation in selecting electives prescribed under graduate curriculum.
- Provides help in deciding on the final year projects with specific focus on their area of specialisation.
- Offers continuous interaction with students, organise guest lectures/ sessions by alumina and experts from the industry and related fields of higher education.
- Grooms the students to face the global challenges / competitions while securing admission to their dream universities / institutes.

**Medical facilities:**

SVKM, the parent body has a Health Check up Centre for the teaching and non-teaching staff members of all its institutions. We have a group insurance policy with The New India Assurance Co. Ltd. for all employees.

First aid boxes are made available in laboratories, workshop premises, office etc. Two of our workshop instructors have been given training on first aid.

Cooper Hospital, Nanavati Hospital, Bhavishya Arogya Nidhi Hospital and number of other private nursing homes in the vicinity often cater to the needs of staff and students.

Student Insurance : Yes. Yuva Raksha Group Insurance Scheme.  
With National Insurance Co. Ltd.

### **Cultural activities:**

The Students Council had organized various events and activities throughout the year for students. Like Miles with Meanings, Robotics, Marathon, Interdepartmental Dance Competition, Inter-college Dance Competition including DJSCE. The Annual Socio Cultural, Sports & Technical Festival “TRINITY” is organised by DJSCE which has got tremendous response from students.

### **Sports activities:**

The Sports Day started off with the lighting of lamp by our beloved Principal Dr Hari Vasudevan to pay salutations to the Lord Almighty followed by the arrival of the mascot with torch running the ground this was followed by the Inter-department March Past. Various athletic events viz. 100m, 200m, 400m running race, long jump, high jump and shot put for boys as well as girls were organised on the sports day. We had also organized 50m /100m running race for the teaching and non- teaching female and male staff members respectively. Thereafter, students enthusiastically participated and enjoyed the inter-department events of Tug-of-war and Relay.

This year, Mr. Jay Bista was the Chief Guest for the Annual Sports Day. He is a proficient cricketer, and has represented Mumbai, right from his school days. He made his debut in the Ranji trophy in the 2015-16 season, and was a part of the winning squad that year.

Approximately 900 students participated in the various events on the Annual Sports Day.

**Literary activities:**

The NSS College Unit organizes a number of activities throughout the year. They are planned and executed by the Unit to inculcate the spirit of social commitment in our students. The activities involved in such as Tree Plantation Drive, Old Age Home Visit, Pollution Awareness, Beach Clean Up, Energy Conservation, Animal Hospital Visit, Blood Donation, Tech for Young, Charity Drive and Deeds of Kindness to name a few.

**Magazine/Newsletter:**

**Techno Focus:-** Journal for budding Engineers : In order to provide our students an opportunity to develop the skills of writing a research paper, we publish an on-line journal which is a platform for budding engineers to publish their research and project related work.

The hard copy of Vol.1, Issue 1 & Issue 2 were released in October 2010 and March 2011 respectively. Volume 2, Issue 1 was released in October 2011. Volume 2, Issue 2 was released during March 2012.

The Journal is available online. The first issue of online Journal ([technofocus-djscoe.org](http://technofocus-djscoe.org)) Volume 3, Issue 1 was released in October 2012, the second issue: Volume 3, Issue 2 was released in March 2013, Volume 4, Issue 1 was released in October 2013, the third issue: Volume 4, Issue 2 was released in March 2014, Volume 5, Issue 1 was released in October 2014, the Fourth issue: Volume 5, Issue 2 was released in March 2015 and Volume 6, Issue 1 is released in October 2015. The Fifth issue: Volume 6, Issue 2 was released in March 2016. The latest issue is volume 7 issue 1 and has been uploaded in the month of March 2017.

**Technical activities / Tech Fest:**

1. Technical films/ video clippings etc. are screened in the class to orient the students on various aspects of technology.
2. Technical lecture meetings in collaboration with professional bodies are organized to give exposure on emerging areas of technology. Students are encouraged to give technical presentations in the class on topics beyond the syllabus and also take part in technical paper presentations.

**3. International Conference on Wireless Communication (ICWiCOM 2019)**

Department of Electronics and Telecommunication Engineering organized the 2<sup>nd</sup> International Conference on Wireless Communication (ICWiCOM 2019) on **11<sup>th</sup> & 12<sup>th</sup> October, 2019**. The purpose of this international conference was to encourage the growth of research activities among faculty members as well as students in various areas in the field of wireless communication engineering. Over 100 research papers were received across 8 sessions. Out of which 35 selected papers were presented at the conference, including a couple of skype sessions during the conference.

Papers covered a wide range of topics in fields, such as microwaves, antennas, wireless Communication & network, Machine learning and signal processing for communication. Dr. Debatosh Guha, Professor at the Institute of Radio Physics and electronics, University of Calcutta was invited as the Keynote Speaker. Plenary talks by eminent speakers, such as Dr. Taskeen Nadkar, Dr. Nadeem Akhtar -General Manager-Product and Project management at Jio, were also conducted on the research topics mentioned above. Engaging rounds of technical sessions were also conducted, where research papers were presented by the participants. The ensuing discussion and debates cultivated a rich environment of research-oriented thinking and this was beneficial to all the conference participants.

#### 4. **International Conference on Advanced Computing Technologies and Applications (ICACTA 2020)**

The Second International Conference on Advanced Computing Technologies and Applications (ICACTA 2020) was successfully held on the 28<sup>th</sup> and 29<sup>th</sup> of February 2020 at the institute. It was jointly organized by Departments of Computer Engineering & Information Technology. The theme of the conference was “Intelligent Computing”. The primary objective of ICACTA 2020 was to provide a platform for researchers, academicians and industry professionals from all over the world to present their research and development work in the area of Intelligent Computing.

ICACTA 2020 received an overwhelming response and brought together over 100+ professionals, researchers, practitioners and educators from all over India and few other countries. Over 161 international and national papers were received, out of which 65 were selected after a rigorous review by the panel of expert reviewers.

The conference was inaugurated by the chief guest, Mr. Prasad Kolte, Chief Operating Officer Maharashtra Information Technology Corporation (A Government of Maharashtra Enterprise). He delivered the keynote address on “Optimizing e-Governance using Advanced Computing”. The plenary speakers were Mr. Devesh Rajadhyax, Founder and CEO Cere Labs Pvt. Ltd and Dr. Surya Durbha from IIT Bombay. Mr. Devesh gave useful insights on “AI and its applications”. Dr. Surya Durbha delivered an interesting session on Geo-Computations, deliberating research challenges for Knowledge-based Systems, Image Information Mining, Internet of Things and Cloud Computing.

#### 5. **International Conference on Intelligent Manufacturing and Automation (ICIMA)**

An International Conference on Intelligent Manufacturing and Automation (ICIMA 2020) was scheduled on 27<sup>th</sup> & 28<sup>th</sup> March 2020 with a view to foster research in various fields related to advances in Manufacturing and Automation. But due the Covid19 situation, the same was postponed. Now, the conference will be organised in the next semester. However, the publication of the Conference papers, submitted by the authors has been carried out by Springer.

#### 6. **STTP on Practical Insights to Cloud Computing:**

The objective of the Short Term Training Program (STTP) on ‘Practical Insights to Cloud Computing’, conducted from 7<sup>th</sup> January 2020 to 10<sup>th</sup> January 2020, was to provide practical insights associated with implementation of cloud computing. As the topic of cloud computing has gained momentum recently, this event was aimed at providing a hands-on experience on cloud computing to its participants. It is also

introduced as a subject in the Computer Engineering syllabus of the college. There was an overwhelming response for the event and was attended by 53 participants.

#### 7. **Codeshastra:**

DJCSI organized its flagship event CodeShastra 6.0 on the 7<sup>th</sup> and 8<sup>th</sup> of March 2020. From being the first 24-hour hackathon to be organised in Mumbai 6 years ago, CodeShastra 6.0 was exactly what it had promised, to be a huge success. CodeShastra 6.0 witnessed over 90 teams from various parts of the country, making it the highest participation in any Hackathon at DJSCE. Judges of the events were Arvind Prabhu- (CSI rep) from Racenext, Puneet Rekhade from Oracle, Jash Shah from Quantiphi, and Mr. Prasad, Mr. Nirav as well as Mr. Swapnil from TCS.

Codeshastra 6.0 took place non-stop for 24 hours with brilliant, ebullient, creative minds working cohesively to create efficient solutions, which would be beneficial to the society. The theme of CodeShastra 6.0 being “Social Conscience” instilled a sense of responsibility and concern amongst coders for finding solutions to address the problems of our society.

#### 8. **DJ Spark:**

The D J Spark is the annual project-based competition, wherein students are provided with a golden opportunity of exhibiting technical skills as well as competing at multiple fronts with their peers from all across Maharashtra. The short-listed teams would then be given a chance to exhibit their projects at our own college. In addition to this, their project would also be assigned with an ISBN Number, irrespective of whether the team wins the competition, which holds immense value during the course of engineering in future.

D J Spark 2020 saw a tremendous response, with 60 plus papers received. Following a rigorous review process, 8 Outhouse & 19 In-house papers were selected. The papers of all the 27 projects have also been published in the college’s very own technical journal, “Techno Focus, Journal for Budding Engineers”.

#### 9. **DJ Strike:**

Along with the lines of DJ Spark, ‘D J Strike’, as a mentorship program and an initiative, which began at the start of this academic year, also showcased their projects. Being the sole annual project-based competition, “DJ Strike” attracts a large enthusiastic crowd from the college. The top five winners of DJ Strike qualify for DJ Spark, which is a state level Competition. Winning projects will then be competing against other projects from across the state of Maharashtra.

DJ Strike 2019-20 received an outstanding response of around 300 participants, giving a total of 53 teams. A total of 4 reviews were conducted resulting in the final 30 shortlisted teams. Technical papers of these 30 projects have been published in the DJ Strike journal. The top 3 teams were further promoted to DJ Spark. The competition has yet another key product based outcome “DJS Antariksh”. It is the official rover challenge team of DJSCE, which aims to build next generation Martian Rover.

**10. DJ IGNITE:**

IGNITE is the official “IETE-SF” newsletter, which contains articles as well as the reports of all the events conducted by IETE-SF throughout the year. Articles on Topics like “Big Data Analysis” and “Google’s Keynote 2017” were covered in the 2018 feature. ‘Into the future’ section of IGNITE has articles dedicated to futuristic technology like augmented reality and automation. DJ IGNITE has attempted to provide solutions to the modern day problems by focusing on different technologies, considering the economic sustainability and demographical terms, hence inspiring the minds of its readers.

**Industrial Visits / Tours:**

Industry visits are organized on regular basis right from the first year level.

**Alumni activities:**

Alumni Meets are conducted department-wise every year. Alumni actively participate in the Meet, guide current students and interact with faculty members.

**Few distinguished Alumni include:**
