Notice

Dear Students,

As our college has registered with Coursera in connection with the Coronavirus Response Initiative and have received the licence from them, you can register through our college for doing many online courses from various reputed universities from across the world. Already, more than 2100 of our students and staff members have registered and are doing many such online courses. Message, pertaining to this has in fact reached many of you through many social media groups of the college. However, many have still not come forward to register and take necessary initiative, so far.

In case, if anybody has missed out on the information, this is to bring to your notice the same, once again. This is a great opportunity for all to update on their skill set and also to do some valuable academic learning, now that you are almost done with the semester's academic work and moreover, everybody has sufficient time at home during the current Covid-19 lockdown. Make the most out of the opportunity available to you.

You can get in touch with the following staff members, if you have any queries,

Dr. Vinaya Sawant, Head, Dept. of Information Technology

Prof. Mayur Parulekar, Faculty in Electronics Engineering

Prof. Shashikant Auti, Faculty in Mechanical Engineering

Prof. Pankaj Sonawane, Faculty in Computer Engineering

AND Prof. Rohit Chaurasia, Faculty in Mechanical Engineering.

Good luck and best wishes to all of you.

Dr. Hari Vasudevan
(Principal)
