

Shri Vile Parle Kelavani Mandal's

DWARKADAS J.SANGHVI COLLEGE OF ENGINEERING

(Empowered Autonomous College Affiliated to the University of Mumbai)

Best Practice

Best Practice I

Title of the Practice: Promote project-based learning by integrating IPD (Innovative Product Development) into curriculum.

It results in:

- Enhancement of graduate employability skills through project-based learning, focusing on research and innovation.
- Establish an ecosystem that enhances students' participation in various national and international competitive forums, that demonstrate the acquired skill sets.

Best Practice II

Title of the Practice: Facilitating holistic learning through active participation at reputed platforms with an aim to reinforce the culture of innovation and global competitiveness.

This is achieved by:

- Motivating students to participate in diverse range of events and competitions, enabling the institute to achieve prestigious recognition.
- Enabling faculty members to enhance their professional competencies through exposure to diverse perspectives, advanced technologies, and global benchmarks.
- To promote internationalization of the institution by encouraging academic collaborations and recognitions at distinguished global forums.
