DWARKADAS J.SANGHVI COLLEGE OF ENGINEERING

(Empowered Autonomous College Affiliated to the University of Mumbai)

Institute Distinctiveness

Dwarkadas J. Sanghvi College of Engineering (DJSCE), Mumbai distinguishes itself through its commitment to **Industry-Oriented, Technology-Driven, and Innovation-Centric Engineering Education**, creating globally competent engineers equipped to address contemporary societal and industrial challenges.

Key Features of Institutional Distinctiveness

1. Strong Industry Connect

- Curriculum designed in consultation with industry experts.
- Regular industry projects, internships, expert lectures, and corporate collaborations.
- Focus on enhancing employability through skill-based learning and certifications.

2. Autonomous and Outcome-Based Education

- Flexible curriculum with Honours, Minor Degree, and interdisciplinary learning opportunities.
- Emphasis on experiential learning, project-based learning, and continuous assessment.

3. Innovation, Research and Entrepreneurship Ecosystem

- Active Institution's Innovation Council (IIC), IDEA Lab, startup promotion initiatives, and participation in national innovation programs.
- Encourages patents, research publications, product development, and entrepreneurship among students.

4. Advanced Technology Infrastructure

- Well-equipped laboratories, specialized software platforms, virtual computing resources, and modern learning facilities.
- Focus on emerging domains such as AI, Data Science, IoT, Cyber Security, and Industry 4.0 technologies.

5. Excellent Placement and Career Development

- Strong placement record with reputed national and multinational companies.
- Comprehensive training in aptitude, communication, technical, and professional skills.

6. Holistic Student Development

- Equal emphasis on academics, innovation, leadership, ethics, sports, cultural activities, and social responsibility.
- Development of technically competent and socially responsible engineers.
