Shri Vile Parle Kelavani Mandal's

DWARKADAS J. SANGHVI COLLEGE OF ENGINEERING

(Autonomous College Affiliated to the University of Mumbai)

NAAC Accredited with "A" Grade (CGPA: 3.18)

**IQAC-EXTERNAL PEER TEAM REPORT
ON THE
PERFORMANCE OF THE COLLEGE
FOR THE ACADEMIC YEAR 2022-23**

A meeting to review the performance of the Internal Quality Assurance Cell (IQAC) of Dwarkadas J. Sanghvi college of Engineering was held on 14th December 2023 (Thursday), in the college premises. The external peer team comprised of the following 3 academicians with wide expertise in academic administration.

External Peer Team Members:

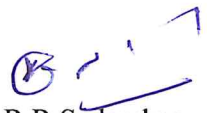

1. Dr. Mohan Murudi Principal, Sardar Patel College of Engineering, Andheri (West), Mumbai
2. Dr. R R Sedamkar Vice-Principal, Director-IQAC, Thakur College of Engineering & Technology, Kandivali, Mumbai
3. Dr. Varsha Bhosale Vice Principal, Vidyalankar Institute of Technology, Wadala, Mumbai

The Chairman of the IQAC, Dr. K.N. Vijaya Kumar along with the Principal, Dr. Hari Vasudevan and IQAC team welcomed the external members for the meeting. The committee members, after the brief initial introduction, verified the documents and evaluated the key parameters with respect to the overall performance of the college for the year. During this day-long review process, committee also took a round of the college premises accompanied by following internal members in order to perform the evaluation. They also guided the faculty members for further improvements and achievements.

IQAC Committee Members included:

- Dr. Hari Vasudevan, Chairman
- Dr. K. N. Vijaya Kumar, IQAC Director & Head, Mech Engg.
- Dr. Amit Deshmukh
- Dr. P. S. Joshi
- Dr. R. S. Khavekar

Introduction and Background of the Institution

Shri Vile Parle Kelavani Mandal's (SVKM) Dwarkadas J. Sanghvi College of Engineering (DJSCE), was established more than 2 decades ago, i.e., in the year 1994. It is observed that the institution has grown in leaps and bounds during this period and has made significant impact for the overall benefit of the society. DJSCE was granted autonomy by the University Grants Commission (UGC) for a period of 10 years for the period of A.Y. 2019-20 to 2028-29. The institute has also received accreditation from National Assessment and Accreditation Council (NAAC) with a CGPA of 3.18 out of 4, i.e., with an "A" Grade for a period of 5 years with effect from 18th of October 2019. All of the 8 eligible undergraduate programs were accredited earlier by NBA in 3 cycles, starting from the year 2013. Few of the undergraduate programs are currently accredited by the National Board of Accreditation (NBA).

The institute currently runs 12 undergraduate programmes, 3 post graduate programmes and 3 Ph.D. programs for the A.Y. 2022-23. All these programs are permanently affiliated to the University of Mumbai.

The institute has state-of-the-art infrastructure with Wi-Fi enabled campus and smart board equipped class-rooms. Institute has well-qualified and experienced faculty members, committed towards best teaching-learning practices. It is seen that the students of the institute have always performed exceedingly well across the globe both during their higher studies as well as in various career roles in globally competent multinational companies. DJSCE is currently rated 8th best amongst the top 10 Private Engineering Colleges of India by India Today and amongst the top 100 Engineering Colleges in the country by other ranking institutions & agencies.

The Internal Quality Assurance Cell (IQAC) of Dwarkadas J. Sanghvi College of Engineering established in the year 2015, has always been making sustained efforts to maintain quality education in the institution. For the same, IQAC regularly conducts various extension activities to improve the academics and administrative performance of the college. It is observed that, overall, IQAC team has been taking up lots of initiatives to improve the potential of outcome based education in the institute.

TEACHING-LEARNING AND EVALUATION PROCESS

DJSCE believes in the usage of ICT (Information and Communication Technology) to achieve active collaboration of students and teachers to ease the acquisition of technological knowledge. Apart from academic learning of students, institute takes steps towards experiential learning, participative learning and problem-solving methodologies for enhancing learning experiences. Institute also takes initiatives for personality development of students through

numerous student chapters and clubs, such as IEEE, IETE, CSI, ACM & S4DS etc. Focus on the Entrepreneurship & Incubation Centre of the college encourages students to pursue & accelerate the project to product mentality by extensively organising meetings, seminars/workshops by venture capitalists. A special emphasis is also placed on the NSS Chapter to act on socio-cultural issues for the overall upliftment of the society and to make students aware of the problems of the under-privileged.

DJSCE takes rigorous efforts to improve the learning curve of students. For the same, slow learners are encouraged to participate in the events organized by the clubs. The students are encouraged to participate in inter-collegiate programming/ project/paper presentation contests and are motivated to take-up internships. Internship fairs & competitions are organised by the department and placement committee along with students' chapters and clubs.

It is noted that the faculty members have active collaboration with the outside world in terms of being moderators, paper setters, BoS members, Reviewers, Expert speakers, Session chairs, Examiners, members of various committees at university level and advisory board etc.

4. GOVERNANCE, LEADERSHIP AND MANAGEMENT

The institution has been initiating new quality academic activities every year. The IQAC has been proactive in strengthening the best practices in the college and ensuring the high quality standards in all activities.

The institution has increasingly focused their attention on the pedagogical training programmes for the teaching staff members. These programmes have been aiming for an understanding of engineering pedagogy, the purpose of which is the targeted design of technical and technologically specific teaching and learning methods & practices.

The institutional Strategy planning is carried out using the following organizational chart.

Dr. Mohan Murudi
Principal, SPCE

Dr. R R Sedamkar
Vice Principal, TCET
Director, IQAC

Dr. Varsha Bhosale
Vice Principal, VIT

5.1 Strategy Development and Deployment

The institutional Strategic/ Perspective plan has been clearly articulated and implemented through various practices, such as budget preparation and constitution of various committees.

The statutory and non-statutory committees existing in the institute are as follows:

Statutory Committees

- Governing Body
- Academic Council
- Board of Studies
- Finance Committee

Non-Statutory Committees

- Planning and Evaluation Committee
- Grievance Committee
- Examination Committee
- Admission Committee
- Student Welfare Committee
- Sexual Harassment Committee
- Internal Audit Committee
- Library Committee
- Cultural Committee
- SC-ST Committee
- Sports Committee
- Technical Committee
- Unfair Means Committee
- Internal Complaint Committee
- Placement Committee
- Disciplinary Committee
- Institute Development Committee
- Purchase Committee
- Maintenance Committee
- Branding Committee
- ISTE Committee
- Conference Committee
- Ethics Committee
- Alumni Committee
- Vigilance Committee
- Code of Conduct Committee
- Anti-Ragging Cell
- Anti-Ragging Squad
- DJSCE Internship Cell (DIC)
- Institute Innovation Council (IIC)

5.2 Staff Empowerment Strategies

Institute takes various initiatives towards empowerment of teaching and non-teaching staff members. For the same, it has constituted various welfare policies as follows:

Mediclaim and Group Insurance: All staff members of institute along-with their immediate dependents are provided health insurance cover, under group insurance policy, for a sum of ₹2,00,000/-. In the A.Y. 2022-23, 20 staff members have availed the benefits of medical insurance facility. Also, members of the institute avail the benefit of group insurance, which provides death benefits to the nominee and surviving benefit upon retirement or resignation.

Personal Accident Cover: All staff members of the institute have been provided a personal accident cover, upto ₹ 10,00,000/- under group personal accident cover policy.

Pension: All staff members of the institute retiring with minimum 10 years of service, are provided a monthly pension by SVKM under the Employee Retirement Benefit Scheme. This entitles teaching members to receive monthly pension of ₹10,000/- pm and non-teaching ₹ 5,000/- pm for a period of 10 years after retirement upon survival. Currently, 7 members are getting benefitted by pension pay-outs of SVKM and are as follows:

Sr. No.	Name of Staff	Pension (INR per Month)
1	Dr. N. Chari	10,000/-
2	Dr. Ramesh Vulavala	10,000/-
3	Ms. Anusuya Datta	10,000/-
4	W/O "Late. Mr. Mangal Waghela - Geeta Mangal Wagela"	1,250/-
5	Mr. Ashok Waghela	2,500/-
6	Dr. Alpana Mahapatra	10,000/-
7	Ms. Usha Viswanathan	10,000/-

Home Town Leave Travel Concession: All members of the institute can avail Home Town Leave Travel Concession for themselves and their immediate family dependent and seek travel expense reimbursement for travel to their home town. This facility can be availed once in a block of 2 years.

Dr. Mohan Murudi
Principal, SPCE

Dr. R R Sedamkar
Vice Principal, TCET
Director, IQAC

Dr. Varsha Bhosale
Vice Principal, VIT

Leave Travel Concession (LTC): All staff members of the institute can avail of Leave Travel Allowance, for themselves and their immediate family dependents and seek travel expense reimbursement for travel, anywhere within the state of Maharashtra. This facility can be availed once in a block of four years. In the A.Y. 2022-23, 53 members of the institute have been able to avail LTC and Home Town LTC facilities.

Financial assistance to attend conferences / workshops and towards membership fees of professional bodies during the academic year is also prevalent in the institute.

Fee concession for SVKM employees: All staff members of the institute having their daughter /son /brother /sister studying in any of the SVKM sister institutions, are offered concession in fees of 25% for professional courses and 50% for non-professional courses.

Admission preferences: Daughter / Son / Brother / Sister of SVMK employees are given preferences in admissions to programs of non-professional courses in sister institutions of SVKM.

In addition to staff welfare schemes, institute also has a student welfare committee that designs various strategic plans for the overall requirements and the development of the students. The committee inculcates a spirit of discipline, leadership, social awareness and promotes physical and mental development among the students.

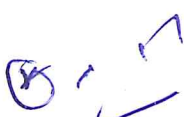

Differently abled 'divyangjan' friendliness: The institute has a disabled friendly and barrier-free ecosystem. It has provision of ramps/lifts for easy access to classrooms and laboratories.

Human assistance: The institute has made elaborate provision for enquiry and information dissemination.

Gratuity: Details of gratuity paid by SVKM during the 2022-23 are as follows:

Sr. No.	Name of Staff	Gratuity
1	Dr. (Mrs.) Mrunal Patwardhan	2,88,860/-
2	Ms. Shivani Bhattacharjee	4,94,450/-
3	Dr. (Mrs.) Manali Godse	14,00,000/-
4	Mr. Mayur Parulekar	5,34,950/-

6 INSTITUTIONAL VALUES AND BEST PRACTICES

DJSCE ensures that the faculty members are continuously engaged towards their skill set enhancement to equip themselves with cutting edge technologies in this technologically revolutionizing world. The same is achieved through various programs, like pertinent FDPs, relevant webinars and expert sessions. Quality publications are achieved by faculty members in terms of research papers published in renowned journals and conferences. The count of intellectual property rights filed by faculty members is also on the rise, especially in last few years. Institute also provides 24 X 7 access to the digital library to lend expertise in engineering pedagogy beyond the campus facility. In addition to the print books, library has a huge collection of e-books consisting of 13848 e-books by ELSEVIER Publication, 2791 SPRINGER Publication and 223586 e-books in EBRARY database.

The institute's curriculum has numerous skill development courses that provide learners with an experiential learning opportunity through research and innovation. A unique offering is a credit course – Innovative Product Development (IPD), which aims to evolve idea-solutions to real world problems. It also enables them to publish their findings in suitable journals/ conferences and even for various intellectual property rights. Institute motivates and mentors its students to participate in various national/ international events, like Hackathons, Codethons, Datathons, Project Competitions, Conferences and Codevita etc. This keeps them abreast with the latest trends in the technological world. The institute curriculum, much before implementation of NEP 2020, had already included mandatory courses of social and moral importance, like – Universal Human Values (UHV), Indian Knowledge System (IKS) and Constitution of India (CoI).

Additionally, in order to give the students an adequate flavour and exposure of traditionally rich art forms of Music, Dance, Drama and Literature etc., the institute has overall 14 student chapters of national / international repute, in addition to numerous student clubs. They are as follows:

It is clearly observed that DJSCE hosts a myriad of activities, coordinated by these student chapters and clubs, creating a professional environment for students to excel in their fields. These initiatives, aligned with industry standards, result in numerous student/s winning national and international level competitions. The institution's commitment to a well-rounded education is also evident in its promotion of traditional art forms.

Ensuring 100% campus placement, the institute collaborates with various bodies to provide job-oriented training in emerging technologies. It is also observed that the institute consistently ranks amongst the top 100 institutes nationwide, reflecting its commitment to continued excellence. It has achieved NIRF rankings in Top 200 in the past for 2 years and is currently in the band of 151-300 in the NIRF innovation rankings.

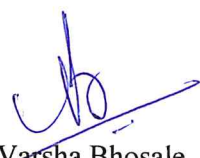

In conclusion, it can be stated that the institute is well committed to achieving excellence in the teaching learning process. The institute has well-structured and proactive measures in place for faculty development and student academic enrichment. Institute fosters multidisciplinary, holistic and experiential learning to enhance the skillset of its students. Institute has consistent research and development activities carried out by faculty members and students. It is also suggested that the faculty members of the institute may take up more initiatives for getting external funding for various research/project activities. Overall, the progress being made by the institute is very good and we wish the college team all the best for the future initiatives.
