

National Employability Award 2023

We are glad to announce the awardees of National Employability Award 2023.

The award is given to the campuses for being amongst the top 10% Engineering Campuses at the National level or in their respective states. We are glad to announce that DJ Sanghvi College of Engineering, Mumbai has been awarded to **One of the Top 10% Engineering Campuses at the National Level** for Batch 2023.

As you are aware of the Nation-Wide presence of Aspiring Minds an SHL Company, we would like to acknowledge only 73 Campuses out of our Total Campuses Assessed have been chosen for this prestigious award. Based on the AMCAT Scores of the Batch 2022, the top institutions in the country and states are chosen for the awards.

The awards, started in 2012 by Aspiring Minds, are the only awards given on the basis of actual performance of students on a standardized test and not on the basis of superficial factors like infrastructure, faculty etc. Such an award will be highlighted on global scale via SHL Social Handles, Advertisements & other digital sources. We will showcase such an achievement to our Global Platform scaled across Clientele, Govt. Bodies & Institutions.

I once again congratulate DJ Sanghvi College of Engineering, Mumbai for much deserved award.

We earnestly hope & are confident that DJ Sanghvi College of Engineering, Mumbai will embark yet another success with Batch 2024, 2025 and beyond as well, as we progress to assess candidates in upcoming months.

... Aspiring Minds
