Team Mentor

Dr. Sunil Karamchandani (EXTC Department)

Problem Statement: Automated Mango Sorting System

The team won the 2nd Prize at TECH-A-THON 2024 - 48 Hour Hardware Hackathon, organised by Thadomal Shahani Engineering College (TEC), Mumbai. Total 249 teams registered for the event and out of the 249 teams, 29 were shortlisted after the presentation round. In the final implementation round, team U_knt_CV secured 2nd Place and were rewarded along with a silver medal, certificate and cash prize of Rs. 15000/-.

Best wishes!

Dr. Hari Vasudevan
(Principal)
