DWARKADAS J.SANGHVI COLLEGE OF ENGINEERING

(Empowered Autonomous College Affiliated to the University of Mumbai)

No. F-2/2026

27th July 2026

NOTICE

This is in continuation to our admission related advertisement dated, 13th July 2026 and has reference to the Admission notification issued by the State CET Cell, Maharashtra, dated 16th July 2026 regarding the online submission of Option Forms from 3rd August 2026 to 7th September 2026.

As required, candidates aspiring for admission through the “Institutional Quota – ILS” or against post-CAP vacant seats must first complete their mandatory registration and document verification at an official Scrutiny Center. Following this verification, eligible candidates are strictly required to apply separately to our institute through our online portal (the link is available on the college website). This separate institutional application is mandatory to enable the college to include the candidate’s name when generating and publishing the official merit lists according to the prescribed schedule (for ILS category as well as Vacancy Seats).

Please note: In case, the candidate has not applied to the college directly and successfully submitted the application (it is a must to do so for ILS category as well as Vacancy Seats), their names will not be included in the merit lists, even if they may have applied to the CET Cell separately.

Best wishes!
