14<sup>th</sup> December 2021

## **NOTICE**

### **F.Y. B.Tech Admissions: 2021-22 (Vacancy Rounds)**

#### **(CAP [Open], CAP [GCLM] & Institutional Level) - Vacancy Seats (All)**

This is to inform all concerned that, in view of the extension in dates given by CET Cell, the date for making the applications for Vacancy Seats is being extended upto 20<sup>th</sup> December 2021. Candidates can fill the Online Application Form, which is available on our college website till the 20<sup>th</sup> of December 2021 (11.59 p.m.) and take the benefit of participating in various Vacancy Rounds of admissions. Vacancy rounds will start shortly after the CAP-round 2 reporting ends on the 21<sup>st</sup> of December 2021 and will go on till the cut-off date for admissions, i.e., 29<sup>th</sup> December 2021.

Once all the vacancies existing in the 80% seats (51% GCLM & 29% Open) are received from the CET Cell, i.e., by the evening of 21<sup>st</sup> of December 2021, the college will operate 2 merit lists, such as, GCLM Category merit list and Open Category merit list (vacant CAP seats + vacant ILS seats) for the vacancy rounds.

**We will be dealing with vacancies in all branches, pertaining to vacancy seats of total intake (i.e., total 840 in various branches, of which 51% seats will be for GCLM category & remaining for Open category) during the vacancy rounds.**

This will open-up multiple opportunities for fresh candidates in both categories, who are making applications now. Interested candidates may grab this opportunity, instead of regretting later as the portal will not open-up for applications, thereafter.

Best of luck and good wishes to all the prospective students!
