F.Y. B.Tech. Admissions: 2022-23

(ILS Category)

Few ILS category applicants have approached the institute mentioning that they are facing difficulties, while inserting the EN number & MHT-CET percentile online in their already filled online applications. Few have also mentioned that they are finding it difficult to make online application process fee payment after filling the application.

Candidates, who are facing such difficulties can come personally to the institute to get the same updated as well as to make the application processing fee (Rs. 1,500/-) payment by cash.

Such candidates are required to come to the institute, either today, i.e., on Monday, the 03rd October 2022 (till 04.00 p.m.) or on Tuesday, the 04th of October 2022 (from 10.00 a.m. to 04.00 p.m.) or else on Thursday, the 06th of October 2022 (strictly upto 12.00 p.m. only) to get the same done. Please note that the candidates, who may report after 12.00 p.m. on 06th October will not be entertained, as we have to declare the Provisional Merit Lists by evening that day. All concerned may also note that the deadline to make the online application, however remains 05th October 2022 (till 11.59 p.m.) only, as declared earlier.

Best of luck to all the prospective students!
